MOTION BY SUPERVISOR MICHAEL D. ANTONOVICH

February 10, 2004

**IVAN M.**

On February 3, 2004, the office of the Children's Services Inspector General completed its investigation into the death of Ivan M., a child who had been reported to the Department of Children and Family Services (DCFS) on six occasions for possible abuse and neglect. The Coroner ruled Ivan's death a homicide and his mother was arrested for murder and is awaiting trial. The investigation into the death of Ivan M. included a complete review of the case file and several factors indicating that the quality of supervision by DCFS may have contributed to Ivan's death.

**I, THEREFORE MOVE, THAT** the Board of Supervisors direct the Department of Children and Family Services to respond to the report by the Children's Services Inspector General and report back in 14 days with a corrective action plan and recommendations to help prevent similar situations in the future.
